AT A GLANCE

2017

STRATEGY UPDATE

After an extensive review process the Propellus Board of Directors approved a 2018-2020 Strategic Plan as follows:

VISION

A thriving engaged community for every person

MISSION

Propellus is the hub of volunteering and the resource centre for the non-profit sector

PRIORITIES

We are the voice of volunteerism to facilitate engaged citizenship in the community

We strengthen organizations to achieve their mission

We incubate passionate ideas to weave a network of support for solving community problems

VALUES

Exploration | Courage | Adaptability | Resiliency | Empowerment

2017

BY THE NUMBERS

397

unique organizations served

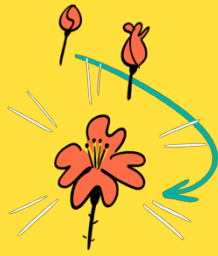

100,472

people accessed our services

10,258

people connected to 446 organizations

...

2018

and beyond

Collaboration matters! If we, as a sector are going to continue to press further into meeting the needs of our community then we will have to find all sorts of new ways of working. Propellus will continue to support the great work of Board Leadership Calgary in equipping volunteers for their board service and the continued development of the Alberta Nonprofit Network. As well, we will launch our collaborative initiative across the province called VolunteerConnector . . . more to come!
